Update on Prior Business:
Reviewed/discussed CCC planning meeting concept each month, as well as approval of several pending AAT submissions since Spring 2021

New Business:

New Graduate Certificate:
Secondary English Teaching Preparation Certificate
https://secure.aa.ufl.edu/Approval/reports/16455
- EPI being reorganized specifically for the English/LA educators who are now required to have the FLDOE Reading endorsement
- Reworked coursework but certificate stands at 18 CH
- The wording "diagnosis" being used in verbiage but would be better for an educator to use different wording like identify or assess? Wording is a requirement by FLDOE, so it should stand

Motion to Approve by Gallingane; Seconded by Lombardino

New Graduate Course(s):
RED 6XXX Reading Practicum
https://secure.aa.ufl.edu/Approval/reports/16460

- Targeted practicum course to be offered under the Secondary English Teaching Preparation Certificate
- In SITE, it is easier to do because of elementary population; addressing PA (acronym for?), phonics, fluency, etc. for secondary population may differ; consider adding a self assessment for all Comp 5 indicators (explain?); Addressing interventions.
- Assessment report description doesn't actually say they would implement assessments
- Under policies, there should be a boiler plate regarding privacy with onlie delivery?

Motion to Conditionally Approve by Gallingane; Seconded by MacInnes

RED 5XXX Diagnosis and Remediation of Reading Difficulties
https://secure.aa.ufl.edu/Approval/reports/16483
- Another revised course originally offered through SITE elementary; now wordsmithed for the secondary population
- 5XXX should be introductory, but there is wording that states intermediate; also, there are prereqs for the course; should be changed to 6XXX and have a partnering 4XXX level
- Application activities missing phonics; retitle so it specifically addresses phonics
- QRI (?) has a new edition; update
- Include the word dyslexia in the topic list of the syllabus
- Week 14 refers to assignments in the practicum; remove that

Motion to Conditionally Approve by Cox; Seconded by Gallingane

EDA 6XXX Contemporary Issues in Educational Leadership
https://secure.aa.ufl.edu/Approval/reports/16275
- Core course in EdD; also to serve as a elective for PhD
- Textbooks: date to 2012 and 2013; are there more current texts available? Or supplements?
- Is there enough description in listed assignments?
- Expectations aren't clearly identified in syllabus
- Written final paper and share? Research? Literary review?
- Calendar: recent and relevant issues…inclusivity and diversity?
- What exactly is the content supposed to address?
- Learning objectives: be more clear on #4 and what the student will learn, rather than what the instructor is going to do
- Distinguish between objectives and outcomes
- Modify so that it matches the CCC template; Policies should be rearranged so they are listed at the end
- Synchronous course participation will require boiler plate statement about privacy

Motion to Recycle by Gallingane ; Seconded by Cox

Modify Graduate Course(s):

EDH6931 Special Topics in Higher Education
https://secure.aa.ufl.edu/Approval/reports/16390
- Syllabus required if modifying course; should be in template form
- Request is to increase repeatable CH from 10 to 12

Motion to Approve with minor edits by Gallingane ; Seconded by Cox

Meeting adjourned at 3:54pm
