

University of Florida Course Options to Satisfy FL DOE Professional Semester Hours

Note: This worksheet is not an official document outlining requirements for certification. It is solely a list of the courses offered by the University of Florida College of Education that correspond to the various categories on your Statement of Eligibility. It is the student's responsibility to ensure that all requirements on the Statement of Status of Eligibility are met. The student should contact the Florida Department of Education (FL DOE) directly if there are any questions about certification requirements. Note that this coursework can only be applied toward a professional certificate if you document one year of full-time teaching (or the equivalent) in an FL DOE-approved school.
