Mentoring of a Post-Doctoral Scholar/Faculty - Currently serving as a mentor and support to formal doctoral student advisee who was hired in Fall 2023 for a post-doctoral teaching position in our department. I have provided direction by sharing course materials, assisting her in navigating various platforms (Canvas, Livetext), and modeling/co-teaching a lesson during her course. Additionally, I have mentored her in successfully publishing her dissertation research and encouraged her to discover additional areas of interest in which she might pursue publication.
